85th ANNUAL PROGRAM

1885 TO 1970

New Piasa Chautauqua — this year observing its eighty-fifth continuous season — started as a Methodist Camp Meeting Grounds in the summer of 1885.

That object has become the revered heritage of Chautauqua, each Season maintaining the standards adopted in that first year. This bulletin presents the 1970 eleven-week program which will start Saturday, June 20, and close Monday (Labor Day), September 7, 1970.

WELCOME TO NEW PIASA CHAUTAUQUA

With this our 85th season, I extend to one and all the opportunity of enjoying another wonderful summer of fun, relaxation, sports and worship. Let us all respect all we have here including the blessings of nature. Let us make ours a friendly valley. Meet your new neighbors and extend a warm welcome. Enter some of the many sports we have here. If you don't know the game, someone will teach you. Sportsmanship is part off Chautauqua.

Your Board of Directors have planned this season's program with you in mind. Let us all be a part of it including family worship services.

ARTICLE II OBJECT AND PURPOSES

Section 1. Object. The object for which the association was formed as stated in its certificate of incorporation is:

"To conduct a Chautauqua Assembly for religious, educational and scientific purposes and operate in connection therewith a summer resort."

Section 2. Policies. In fulfillment of this purpose, the association has since its organization found it feasible and possible to operate successfully without profit to its shareholders, to maintain well attended religious services and classes, to provide a place, facilities, and supervision for wholesome recreation and restful living during the summer season, and does hereby declare and determine that a continuation of such policies is for the best interest of the association, is essential to the accomplishment of its objects and will most effectively contribute to the physical, moral and spiritual welfare of its shareholders, cottage members, their families and guests, accordingly:

Section 3. Non-Commercial. It is declared that it shall be the policy of the association to prevent Chautauqua from becoming a commercial or secular enterprise during the period of its commitments to its cottage members, expiring November 30, 1985.

Section 4. Not for profit. The association shall continue to be operated and conducted without profit to its shareholders, and the net income, if any, shall not be accumulated for, or be paid to, or inure to the benefit of, its shareholders.

Section 5. Religion. The association shall continue to provide leadership and facilities for religious education and worship services, Christian but non-sectarian in character, as the underlying motif of the organization, and shall permit no sectarian or anti-Christian services or activities.

Section 6. Recreation and Retreat. The association shall, in connection with its religious program, provide facilities and leadership for children, and shall operate and conduct Chautauqua as a peaceful, wholesome, pleasant and safe place for rest and retreat from the pressures of modern living.

Section 7. Revocation or Amendment. This article shall be the central guide and control of the officers, directors and shareholders in all their actions and decisions, and shall not be revoked or amended except by a vote of not less than three-fourths of the entire board of directors and three-fourth of the shares of stock of the association, and then only after at least thirty-days notice by United States Mail, postage prepaid, to all officers, directors and shareholders, setting forth specifically and in detail the proposed resolution for revocation or amendment to be submitted for consideration.

Rules and Regulations Governing Chautauqua

Rules and Regulations governing daily living at Chautauqua are conceived in the interest of promoting public safety and making a pleasant and enjoyable stay for everyone possible. The cooperation of all persons in observing and obeying all By-Laws, Rules and Regulations of the Association at all times will be greatly appreciated.

1. VEHICLES: (a) All automobiles must be brought to a full stop at the Gate House at entrance to the Chautauqua grounds upon entering or leaving. The Gatekeeper is required to determine that each person entering the grounds is properly authorized for admission.

b—The speed limit of all motor vehicles on the Chautauqua grounds is 15 miles per hour. All "Stop" signs must be obeyed.

c—No one may operate a motor vehicle on the Chautauqua grounds who does not possess a Driver's License of the State in which he resides and who is not adequately covered by liability insurance. All motor vehicles are required to have a state license.

d—All residents and guests are urged to leave cars parked and to walk when possible. The unnecessary driving of motor vehicles on Chautauqua grounds will not be permitted.

e—Anyone judged guilty of careless driving shall be prohibited from driving on Chautauqua grounds.

f—Bicycles are not to be ridden on public walks or the board walk. Bicycle riders are urged to exercise caution in riding their bicycles.

2. COTTAGE GUESTS: Owners wishing to have guests in their cottages must notify the Chautauqua manager and submit complete information about prospective guests to the board. The board reserves the right to withhold approval on applications.

If you expect guests, notify the gatekeeper in advance and make arrangements for their admission. Failure to make advance arrangements can cause embarrassment as the gatekeeper is not authorized to admit strangers to the grounds simply because they announce they have come to visit a Chautauqua resident.

3. BUILDING: No building or additions shall be erected, nor repair work started except with consent of the Board of Directors, under a permit signed by the Secretary. No building or additions shall be done from June 15th to September 10th.

3a. Any cottage owner who intends to install an air-conditioner, electrical stove, electric hot water heater, or any other electrical appliances that consume a large amount of current must obtain approval of the Board of Directors.

6. OPEN FIRES: Burning of trash or other open fires are not permitted on the grounds at any time except by paid employees of the Association.

7. NOISES: Your cooperation and consideration of your neighbor is asked in loud playing of musical instruments, radios and televisions at all times. Quiet hour shall be observed at 11 p.m. on week nights and 12:30 a.m. on Saturday nights.

8. GAMES: Use of courts or playing of all out-of-doors games is prohibited from 11 p.m. on Saturday to 12 o'clock noon Sunday. All outdoor games are restricted daily between the hours from 11 p.m. and 8 a.m.

11. GARBAGE AND TRASH: Garbage and trash shall be placed in covered containers. It will be collected at regular intervals during the season.

a—Soda bottles must be returned to the dispensing machine from which they were taken.

b—Papers and trash should be deposited in containers which are provided for this purpose around the grounds.

12. GUNS AND FIREARMS:

a—It is against our rules to hunt or discharge fire arms at any time and at any place on Chautauqua property. This also applies to air guns or air rifles.

b—The discharge of fire works, fire crackers or bombs of any type is not permitted at Chautauqua at any time.

The Management reserves the right to expel from the Grounds, or to refuse admission to anyone not conforming to these rules and regulations.

It is going to be necessary for us to have some new personnel on the gates this year and for this reason we are going to ask that

all members and guests carry their annual tickets so that they may be checked on request by our gatemen.

Cottage Sales

Mrs. Favre Gould is in charge of showing cottages for sale or rental. She is familiar with the cottages that are available and details relative to their sale or

rental. Mrs. Gould may be reached at her cottage "Gone Fishing" on Springfield Ave. or by phone — 466-1344.

Station Stand

The Station Stand will be open this year with Tom and Mike Gaghen as the operators. We can again look forward to those mid-day snacks after swimming, and to

ice cream and cold drinks in the evening. Their hours will be determined by the demand for their goods.

Education and Entertainment Program

PLAY SCHOOL

The Chautauqua Play School is in session from 10:00 A.M. until Noon Monday through Friday for children three to twelve years of age. Mrs. Kae Moore (Susie) is the director this year. She is eagerly looking forward to a good season. Although a new comer to Chautauqua she is well qualified

for this type work. She will be very ably assisted by Miss Jean Schifferdecker who needs no introduction to Chautauquans.

The Play School and its various activities are under the direction of the L.C.I.A.

MOVIES

Mr. and Mrs. Joe Meissel have again obtained an excellent selection of movies. An added attraction is scheduled for Monday nights with the showing of a serial of Captain Video in addition to the regular movie. There also will be selected nights of community singing before movie time.

This year the number of movies

has been reduced. There will be no showing on Wednesday nights, and none on the nights that dances or other activities are scheduled. However, an attempt is being made to schedule other entertainment, such as slide shows, educational movies, games, musical programs, etc. on Wednesday nights.

Recreational Program

SWIMMING

Swimming is a long established sport at Chautauqua. Our pool meets all safety and health standards of the State of Illinois. The

pool is open every day from 1 to 5 P.M. and from 6:30 to 8 P.M. on Sunday and Tuesday. It may be opened on other evenings if the temperature and weather warrant such opening.

Mr. Kae Moore will be the pool manager with Joan Schifferdecker and David Thomas serving as life-guards. All have completed their Red Cross life saving requirements.

Otto Huff and Joe Voss will provide the know-how of operating the pool machinery at top efficiency.

Joe Meisel will present a Red Cross water safety program if at least 12 applicants sign up. He will also conduct a course designed to teach children 3 to 6 years of age to swim if there is enough demand for such a program. Both programs will be offered in morning sessions, and applications must be received by June 27.

SOFTBALL

Softball practice will be held in the morning at the Athletic Field, and games will be played whenever possible. There will be instructions for the younger children.

TENNIS

Two good tennis courts are available for those who enjoy this sport. Gordon Grundmann will conduct a tennis clinic early in the season.

GOLF

Through the courtesy of the Westlake Country Club of Jerseyville, we are permitted use of their golf course every day except Sundays and holidays.

HORSESHOES

Good courts are maintained at Chautauqua for this sport. Shoes are furnished.

ROQUE

This is an old and unique Chautauqua sport. The court is well maintained and balls are furnished. Mallets may be ordered through the athletic committee. Favre Gould will give instructions in playing this game on Saturday afternoon, June 27.

SHUFFLEBOARD

Two professional size courts are located near the Administration Building, and are available for day or evening use.

BOATING

A boat harbor with excellent docking facilities is located next to Flint Park. Docking space is available for visitors who come to Chautauqua by boat.

GENERAL

An all-purpose court is located across from the tennis courts where volley ball, badminton, and basket ball back boards are available.

It is planned this year to hold tournaments in the various sports, and to issue awards. Emblems will also be given to all children who complete a required course in physical fitness. A meeting on Sunday afternoon, June 21, will explain these activities.

Organizations

Ladies Civic Improvement Association

The L.C.I.A., whose membership is open to all our ladies on the grounds, is looking forward to the 85th season of Chautauqua.

The purpose of this association is to further the Civic, Social, and Spiritual welfare of Chautauqua. The organization sponsors a great number of activities including the Girl's Club, Tuesday evening card parties, it provides for the Children's Day weekend, plans Thursday night activities for the children, secures chaperons for the dances, and helps to prepare the

Chapel and Auditorium for all the religious services.

Through various fund raising activities the L.C.I.A. is able to carry out many major improvements at Chautauqua. The memorial fund, sustained by contributions given as tribute, is dedicated to the beautification and improvement of the grounds.

Religious Program

SUNDAY MORNING CHURCH

The Sunday morning Worship Service is held in the Auditorium at 11:00 A.M. with the Resident Minister presenting guest ministers who are selected and invited by the Religious Committee.

The list of ministers who will occupy the pulpit in Chautauqua this season is a distinguished one and in keeping with the efforts to provide an especially fine program. A variety of denominations and special preaching strengths will be represented during the summer.

CHURCH SCHOOL

Each Sunday morning at 9:45 a.m. Church School is held in the auditorium under the supervision of Mr. Joseph L. Rain, chairman of the Religious Committee of the Board of Directors, and Mrs. Milton Grimm. A staff of capable teachers provides excellent training for all age groups. Accredited attendance cards are given those who attend. Special recognition is given perfect attendance.

THURSDAY CHAPEL

Kae Moore, resident minister, will be in charge of the Thursday evening devotional services at 7:30 p.m. in the Chapel. Special music and group singing of old familiar songs will be an important part of the Chapel Services.

Resident Minister

Chautauqua is fortunate this year in having a husband and wife team to assist in the religious and recreational program at Chautauqua. They are Kae and Susie Moore, who will be newlyweds upon their arrival here. At this writing Susie is still Miss Carolyn Sue Essig. She will graduate in June from the University of Evansville with a Major in English Liberal Arts. She has had training in Red Cross first aid, and music, and has served as counselor and recreation director at various camps.

Kae Moore who will serve as Resident Minister, will also graduate from the University of Evansville in June, and will continue in graduate school at Miami University, Oxford, Ohio, where he has been awarded an assistantship. Kae's major is in Physical Education. His Church affiliation is United Methodist in New Harmony, Indiana, where he participated as service leader and speaker. He also has served on the National Staff of the Fellowship of Christian Athletes. At college, Kae participated in virtually all varsity sports programs. He has taught Red Cross water safety courses, and was swimming coach and instructor at the Evansville Country Club.

Special Notes and Comments

1. Chautauqua is what we each help to make it—both in and out of the regular season. Let us all observe its regulations, let us all partake of and support its activities, and if we have special talents let us make them available to Chautauqua for its benefit.
2. Please read again the rules section of the Program Book. Pages 4-6.
3. As Christians let us lead a Christian life; As Americans proud of our heritage to have a Chautauqua let us display the American flag.
4. Please check your name, address, etc. If there are any omissions or corrections let the program committee know so they can be changed next year.
5. For the benefit of new owners—The bell at the administration building normally is sounded $\frac{1}{2}$ hour before all events, and again at event time. The siren is blown at noon, 5:00 P.M., and in case of emergency. Religious and card party announcements, and movie reviews can be found on the bulletin boards in the vicinity of the Administration Building.
6. Some special safety and courtesy regulations for your consideration:
 - (a) Digging—There are underground telephone cables, gas, water, and sewer lines at Chautauqua. Please find the location of these before doing any digging. In the case of gas lines, these are made of plastic pipe and could easily be broken. There is a warning tape just below the ground at the gas line locations. IF YOU SHOULD DIG UP THIS WARNING TAPE DO NOT DIG ANY DEEPER!
 - (b) Bluff Climbing—The Spring area is an enticing but dangerous place for the children. PLEASE RESTRAIN ANY CHILDREN FROM CLIMBING THE BLUFFS IN THIS AREA. It is very dangerous, but could also deface the beautiful improvements that have been made there.
 - (c) Restraining Children—While Chautauqua is a place where children have freedom of the grounds, parents should restrain them from play activities during religious services, and also from annoying activities at the movies.
 - (d) Dances—This year we are inviting all Chautauquans from 9 to 90 to attend all dances until the first intermission, at which time children under 13 years of age are requested to leave. This does not apply to the dance on Childrens Day. Everyone on the dance floor is expected to observe the posted regulations, and to conform to the following clothes requirements: Male—closed shirt collar (with or without tie) or turtle-neck shirt, trousers, and shirt tail to be worn under the trousers. Female—dresses of acceptable length (no jeans, shorts, or slacks). Everyone shall wear shoes.

Daily Program of Events

Following is a list of many of the daily activities to be presented this season. Since changes and additions will occur, it is suggested that everyone listen to the announcements at the Auditorium and watch the bulletin boards. Also, the Men's Club with Favre Gould as the publisher, puts out a weekly bulletin which is delivered to each cottage every Tuesday. If anyone has information to be put in this publication, see Mr. Gould one or two days before the delivery day.

In addition to the listed activities, there will be community singing before some of the movies and impromptu events on Wednesday nights. There will also be special children and youth activities on Thursday nights after the Chapel Service.
